PATCHES

BRANDING THE WORLD ONE EMBLEM AT A TIME

World Emblem manufactures custom patches with consistently high quality. From international brands to high end retailers, our customers have come to appreciate our superior turn-around time and customer service. Read more about our options below, including Perfect Print Patches, Full Color Heat Transfers, Leather Patches and Embroidered Patches.

EMBROIDERED PATCHES

Patches are easily applied to professional garments, tote bags, hats, and more.

World Emblem provides you with the best products possible. Embroidered Patches are created with high quality, colorfast, polyester threads and fabrics made to withstand industrial washes. Each patch can be dye-cut into custom shapes and sizes as well as several standard sizes.

EMBLEM SIZE LIMITS

Min: 1"W x 1"H (+/-1mm) / Max: 18"W x 11"H (+/-1mm)

COLOR

One design can have up to 15 different thread colors.

Fire resistant threads and fabrics available.

Reflective fabric available.

3D EMBROIDERED PATCHES

3D embroidered patches are easily applied to garments, tote bags, hats, and more.

3D embroidery elevates your patches to the next level. World Emblem's 3D embroidered patches are created with high quality, colorfast, polyester threads and fabrics. They can be applied in-house which saves both time and money on freight. Pressure sensitive and heat seal applications are available. To ensure the best application experience, use our custom heat seal pad to apply the patches.

EMBLEM SIZE LIMITS

Min: 1"W x 1"H (+/-1mm)

Max: 18"W x 11"H (+/-1mm)

PRINT STITCH PATCHES

A hybrid of our two most popular patches

Print Stitch Patches are a combination of our two most popular patches: embroidered and sublimated. The background is printed with a full-color, photographic image with added embroidery to give dimension and texture. Create a unique decoration by combining printing and stitching into one.

EMBLEM SIZE LIMITS

Min: 1"W x 1"H (+/-1mm) / Max: 12"W x 12"H (+/-1mm)

COLOR

The design cannot have more than 15 different colors of thread.

Sublimation: Sublimated allows unlimited colors. You can digitally print photorealistic images and even match PMS colors.

SUBLIMATED PATCHES

Digitally printed patches that are photorealistic and industrial wash capable.

Create full color patches with your custom text and artwork. Like our embroidered emblems, Sublimated Patches have a merrow border sewn in your choice of thread color. These come in both standard and custom shapes and sizes.

EMBLEM SIZE LIMITS

Min: 1"W x 1"H (+/-1mm) / Max: 12"W x 12"H (+/-1mm)

COLOR

Perfect Print® allow unlimited colors. You can digitally print photorealistic images and even match PMS colors.

FULL COLOR HEAT TRANSFER

Get vibrant high-detail reproduction

Full Color Heat Transfers allow for a precise, detailed reproduction of your complex images even those with design elements like floating characters. Plus, there are no limitations on the amount of colors, including photographic images. Pre-cut transfers are made with a PVC-free water-based technology to minimize their ecological impact. Fully tested with no signs of cracking or peeling!

TRANSFERS SIZE LIMITS

Min: 1" X 1" / Max: 11.7" X 16.5"

The maximum size can vary, depending on the type of Full Color Heat Transfer Application.

COLOR

Full color heat transfers allow unlimited colors and photographic capabilities.

APPLICATION

There are several types of transfers for various uses. Each transfer type has different heat seal settings and wash recommendations.

flexstyle™

FlexStyle™ elevates brands with eye-catching detail. The deep texturing and dramatic finishes increase the premium value of your final product. Emblems easily apply to most surfaces such as fabric, plastic or glass.

FlexStyle™ comes in five distinct styles. FlexStyle™ Textured has deep texturing and detail, FlexStyle™ Domed features a shiny, smooth 3D surface, FlexStyle™ Flat has an elegant flat appearance, FlexStyle™ beveled has sharper edges for a more refined look and FlexStyle™ Holographic which can be flipping, floating or scrolling effect.

A man with a beard and short hair, wearing a bright yellow bomber jacket over a black turtleneck, stands in a city setting. He has his hands clasped in front of him and is wearing a watch on his left wrist and a tan messenger bag. On his jacket, there is a silver, metallic-looking signature emblem that reads "Zack Jones" and "24" below it.

Zack Jones
24

flexstyle™

domed

A revolutionary embellishment that gives your design a shiny, 3D effect.

An emblem created with FlexStyle™ technology has a shiny finish and creates a unique bubble effect. Apply FlexStyle™ Domed to a variety of surfaces such as fabric, glass, wood, metal, plastic and more.

EMBLEM SIZE LIMITS

Area: 0.5"W x 0.5"H to 5.75"W x 5.75"H; they cannot be any smaller or any larger.

Thickness: Varies depending on the complexity of the design from 2 mm.

COLOR

This product accepts RGB, CMYK and Pantone color codes.

Color match is only available providing Pantone Coated color codes. Neon, glitter and reflective colors are not available for printing.
